SELECTMEN ASSESSORS TOWN MANAGER TOWN CLERK

To the Selectmen and the Citizens of Winterport:

Once again, I present to you this annual report of the municipal affairs of the Town of Winterport for the fiscal year January 1, 1977 to December 31, 1977.

The details, facts and figures, as well as the complete audit report, relative to the administration of your town government are on file at the Town Office.

I would like to express my sincere thanks to the Board of Selectmen, office staff, members of the various Boards and Committees and the many individual citizens of our town for their cooperation and help for the past three and one half years.

Respectfully submitted,

Gary L. Lowe Town Manager

WINTERPORT HEALTH COUNCIL REPORT

President Vice President Secretary Treasurer Emily M. Braley Rita Bowden Kathy White Beatrice L. Raymond

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

We held eight Well-Baby and Immunization Clinics this year. These Clinics are entirely free of charge, regardless of income. If you would like more information contact Eleanor Condon.

We also have sickroom equipment available on loan to any Resident of Winterport. All we ask is that these items not be taken out of town and that they be returned when you finish with them, so that someone else may use them. Included in these items are wheelchairs, vaporizers, walkers, commodes, crutches and hospital beds.

This year we added two new commodes, two steam vaporizers, and two cool-mist vaporizers. These items are kept at the Town Office and may be obtained on weekdays from 9:00~A.M. to 5:00~P.M. and weekends by contacting Emily Braley or any other member of the Health Council.

We would like to extend our many thanks to Dr. Wagner and Patricia Woodbury, R.N., Public Health Nurse for helping us again this year. Also many thanks to the members of the Health Council.

We would also like to thank the United Methodist Church for allowing us to hold our clinics in their vestry.

Respectfully submitted, Emily Braley, President Winterport Health Council

FIRE DEPARTMENT

To the Citizens of Winterport:

This year of 1977 was a very busy year for the Fire Department. The number of fires increased over the previous year. We held drills at different times throughout the year.

We had two different training courses to help improve our services. The courses were a Pump and Truck Operation course and a Breathing Apparatus course. They were offered on a voluntary basis. These classes were offered to the town by the state at no cost to the town.

The Department purchased new fire hose which was badly needed, tires on two trucks, two more breathing apparatuses and fire coats.

The members have spent many hours working on the trucks on a voluntary basis.

We hope we have served the town well and will strive to improve our services by having more training sessions this coming year and by accepting more new members into our Department.

We of the Fire Department wish to thank all the people who helped out by their donations and other items at fires and after.

Fire Report for 1977:

Grass - 20 Flooded Cellars - 12 Accident - 2
Buildings - 7 Vehicle fires - 4 Dump - 18
False alarms - 4 Chimney - 7 Misc. - 11

Total Fires: 85

Total Man Hours: 629

Respectfully submitted, Creighton L. Parker Fire Chief

WINTERPORT VOI UNTEER AMBULANCE SERVICE

To the Citizens of Winterport:

We wish to report that in our sixth year of operation we answered some 85 calls and some 150 man hours were donated answering calls.

We have six Emergency Medical Technicians, 12 licensed ambulance attendants and four drivers on our service. We also have two licensed First-Aid Instructors who are presently teaching a 51 hour First-Aid Course to 12 new volunteers who we hope will be joining our service as licensed ambulance attendants on completion of this course.

Anyone interested in joining the service will be more than welcome.

We would like to bring it to your attention that the service is self supporting and no tax dollars are raised for its operation. The only way we can continue to be self-supporting is through your purchase of subscriptions and paying such bills as may be rendered for non-subscription services.

A subscription covers only emergency calls.

We are proud of our ambulance service and hope that through your support you will show us that you are proud of it, too.

RECREATION BOARD REPORT

On behalf of the members of the Recreation Board, it once again gives me great pleasure to present our fourth annual report.

During 1977, the Recreation Board was able to accomplish many of its goals in regards to establishing recreational programs for the citizens of the community, as well as to continue the work started at the Community Park.

Progress at the park site continued even though a good deal of work was hampered by rain and will have to be completed this summer. A lot of work was accomplished through the employment of people under CETA (Comprehensive Education Training Act) and SPEDY (Summer Program for Educationally Disadvantaged Youth). These people were paid with federal monies.

Some of the work completed at the park site during the past summer was the erection of a fence around the parking lot, the building of a bridge behind the school, the erection of two score board signs, donated by the Coca Cola Bottling Company in Bangor, the erection of a flag pole and the cleaning up of the trees which had blown down near the entrance of the park and around the perimeter of the park.

Work on the playing fields was hampered a great deal because of the weather, and we were not able to get this area in A-1 condition. It is hoped with an early spring and some decent weather, we will be able to accomplish this task.

The lower level of the park still needs to be seeded and it is hoped we will be able to complete this task this spring, along with the erection of the playground equipment donated by the Women's Extension Club of Winterport.

In regards to some of the work accomplished this past summer, I would like to personally thank the Bernard Ginn family for cutting and donating fifty cedar posts for the parking lot fence.

A very special thanks must go to Derek White for his efforts in constructing the flag pole, two sets of bleachers and the erection of a gate at the entrance to the park. These three projects alone saved the town a considerable sum of money. I would also like to thank all the men who ably assisted Mr. White in these projects.

This was the first year that the Board made an all out effort to organize numerous recreational programs for the community. During the

RECREATION BOARD REPORT (Cont.)

period from December to June, many programs were held at the school, after school hours and were very well received by the community. Most of the programs offered were free of charge, with the exception of the gymnastics program. A charge was made to pay for the instructor, as this is an activity needing a trained person. The hiring of Phyllis Worthley as the gymnastic instructor made this a tremendously successful program.

The intent of the Board is to have as many free programs as possible, but we have discovered that some of the programs requested are impossible without charging, because of the cost involved.

Permission was granted, through the cooperation of the Selectmen, to hire a work study student from the University of Maine. The town only had to pay twenty cents of every dollar paid towards this person's salary. Being the first attempt to run a summer recreation program, some of the programs were quite successful, while others were not.

With the experience we have gained this year, we hope to improve and expand recreational activities for the community.

In conclusion, I would like to thank the many people of the community who have supported the Boards effort at the Community Park and with the recreational activities held at the school. It is hoped we will continue to have your support in the future.

A financial report may be found elsewhere in this annual report.

WINTERPORT WATER DISTRICT

The District has operated with no major problems during the past year. The sudden death of Mr. Nelson Raymond on November 27, 1977, who had been our able and conscientious superintendent for the past six years, was a great loss. Mr. Forrest Smith has taken his place as superintendent.

Maine law requires the District to notify the water users of any failure to comply with maximum contaminent level requirements or failure to perform required monitoring of the water quality. We have not had any violations of either quality or monitoring requiring such notification.

Regular meetings of the District Trustees are held at 7:30 P.M. on the 3rd Monday of each month at the Town Office.

WINTERPORT SEWERAGE DISTRICT

Progress toward construction of the interceptor sewer and sewage treatment plant continues along slowly. The James W. Sewall Company has completed the 201 Facilities Report,a 100 page planning document that analyzes the various aspects of the project and determines the best treatment method, etc., for the Town. The construction plans and specifications are now being upgraded to comply with the latest criteria. We are still too far down on the priority list to receive the Federal and State shares of the construction funds this year. The revised cost estimate for the project is \$1,100,000, with the District share (15%) at \$167,000. Annual operating costs are estimated at \$21,000 and financing costs at \$10,900, making a total annual cost of \$31,900.

Earl E. Richardson Public Accountant Greenville, Me. 04441

February 20, 1977

Board of Selectmen Town of Winterport Winterport, Me. 04496

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended December 31, 1977.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

Earl E. Richardson Public Accountant

EER:r

COMMENTS TOWN OF WINTERPORT For The Year Ended December 31, 1977

An audit of the financial records maintained by the Town Manager, Selectmen, Assessors, Town Clerk and other town officers has been completed for the year ended December 31, 1977. The results are incorporated in the following texts, exhibits and schedules.

CASH:

The cash balance of \$83,032.66 was reconciled with statements furnished by the Merchants National Bank, the Bangor Savings Bank and Merrill Trust Co. of Bangor, Maine. Petty cash of \$294.00 was on hand at audit date.

TAX RECEIVABLES:

The current year's tax assessment of \$335,170.10 was added and compared to the tax commitment. Excise tax receipts totaled \$56,719.25 of which \$50,000.00 was appropriated to snow and ice removal.

REVENUE SHARING:

Federal Revenue Sharing Funds of \$20,490.00 were received during the year, of which \$11,100.00 was appropriated to various accounts. State Revenue Sharing Funds of \$19,626.50 was received of which \$18,825.56 was used to reduce the tax assessment.

DEPARTMENTAL ACCOUNTS:

A review of the departmental balances revealed overdrafts exceeded unexpended balances by \$831.48. The principal overdraft was noted in the snow removal account.

SURPLUS:

Unappropriated surplus of \$113,749.30 showed a decrease of \$32,293.11 from the previous year.

SCOPE:

Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and cancelled checks supporting expenditures were checked for a selected period.

The records of the annual Town Meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1977 and the results of its operation for the year ended.

STATE OF MAINE

COUNTY OF WALDO, ss.

To Arthur R. Doyon, a constable of the Town of Winterport, in the County of Waldo:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Winterport, in said county, qualified by law to vote in town affairs, to meet at the Town Office Building, in said town, on Monday, the 20th day of March A.D., 1978, at ten o'clock in the forenoon, then and there to act on the Articles Number 1 and 2.

And to notify and warn the voters to meet at the Sproul-Weed Gymnasium at the L. H. Smith School in said town, at seven thirty o'clock in the afternoon on Tuesday, the 21st day of March A.D., 1978, then and there to act on Articles Number 3 through all of said Articles being set out below to wit:

- ARTICLE 1. To elect a Moderator to preside at said meeting.
- ARTICLE 2. To elect, by secret ballot, two Selectmen for three years, a Town Clerk for one year, one Assessor for three years and one School Administrative District No. 22 Director for three years.
- ARTICLE 3. To choose one member to serve on the Budget Committee for a term ending in 1980.
- ARTICLE 4. To see if the Town will vote to authorize the Budget Committee to administer a budget procedure as follows:

SECTION ONE: Schedule - The Town Manager shall notify by November 1, of the year preceding the budget year all department heads, associations, agencies and organizations who may have cause to have a budget item included in the warrant for the annual town meeting. Those who had submitted a budget request the year before shall be notified by letter. The Town Manager shall also see that public notice is made that the town is accepting budget item requests for inclusion in the annual budget. Town officials such as Fire Chief, Road Commissioner, Chief Constable, Chairman of the Planning Board and others shall submit their own budget requests.

Those department heads and others so notified shall have until December 15 of the year preceding the budget year to submit their itemized budget requests.

The Selectmen and Town Manager shall have until January 15 of the budget year to revise the budget requests and submit them to the Budget Committee.

The Budget Committee shall have until February 15 of the budget year to review the budget as proposed by the Selectmen and Town Manager and make its recommendations to the town meeting.

SECTION TWO: Format - The budgets as presented by the various department heads and others shall be itemized, line-item budgets. They shall show a breakdown of such items as personnel and contracted services, utilities, supplies and any other anticipated costs which can be reported. The budgets as presented to the Budget Committee for review shall detail a complete financial picture of the town including the itemized breakdown of income and expenditures in each budget catagory for the previous year, as well as the itemized breakdown of the proposed budget. The budget as presented to the Budget Committee shall show both the department head or association request as well as the Selectmen's and Town Manager's recommendations. It shall show all financial accounts whether or not they require appropriations action by the town meeting.

SECTION THREE: Scope - The Budget as presented to the Budget Committee shall include any proposed warrant articles which will have a financial impact on the town, including, but not limited to, requests for the town to take over maintenance of a road. The above established sections on schedule and format shall apply to all warrant articles which have a financial impact on the town.

SELECTIN ASSESSES TOWN MANAGE TOWN CLIK

To the Citizens of the Town of Winterport:

Transmitted herewith is a report of all transactions of your government for the year 1978.

Financially the town ended the year in excellent condition as will be seen in the auditor's report contained herein.

I am greatly appreciative and wish to express my thanks for the assistance and cooperation afforded me by the Board of Selectmen, office staff and all Town officials.

I plan to be in contact with the State and Federal Government agencies for any grants that may be available to this town in 1979.

It is hoped that you will give careful consideration to the contents of this year's report. May I point out that the town's books are public property, and inspection of them by any resident is invited at any time.

Respectfully submitted, E. Earle Brown, Jr.

REPORT OF THE TOWN CLERK

To the Citizens of the Town of Winterport:

I am pleased to submit my annual report as Town Clerk:

Routine activities were carried out, these include the selling of Fish and Wildlife licenses, dog licenses, the issuing of marriage licenses and certified copies of recorded statistics.

Elections held in 1978 were the June primaries, and the General Election in November, Town meeting held in March, and two Special Town meetings held in August and December.

Vital Statistics for the year are:

Total number of marriages	35
Total number of births	36
Total number of deaths	19
Dog Licenses issued:	
Male dogs	64
Spayed Female dogs	52
Female dogs	14
Kennels	1

I would like to remind you when applying for a marriage license, an important thing to remember is that you must wait 5 days after recording your intentions before you can obtain your license. Be sure to allow sufficient time.

A reminder to all dog owners: Dog licenses are due January 1, of the current year.

Respectfully submitted, Beatrice L. Raymond Town Clerk

WINTERPORT HEALTH COUNCIL REPORT

President
Vice President
Secretary
Treasurer

Emily Braley Rita Bowden Kathy White Beatrice L. Raymond

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

We held eight Well-Baby and Immunization Clinics this year. These Clinics are entirely free of charge, regardless of income. If you would like more information contact Mrs. Eleanor Condon.

We also have sick room equipment available on loan to any Resident of Winterport. All we ask is that these items not be taken out of town and that they be returned when you finish with them, so that someone else may use them. Included in these items are wheelchairs, vaporizers, walkers, commodes, crutches and hospital beds.

This year we added two Blood Pressure Cuffs with stethoscopes. These items are kept at the Town Office and may be obtained on weekdays from 9:00 A.M. to 5:00 P.M. and on weekends by contacting Emily Braley or any other member of the Health Council.

We would like to extend our many thanks to Dr. Wagner and Patricia Woodbury, R.N., Public Health Nurse for helping us again this year, also many thanks to the members of the Health Council.

We would also like to thank the United Methodist Church for allowing us to hold our clinics in their vestry.

Respectfully submitted, Emily Braley, President Winterport Health Council

REPORT OF THE FIRE DEPARTMENT

To the Citizens of Winterport:

This year of 1978 was a very busy year for the Fire Department. The number of fires decreased this year by ten but one of them, a forest fire, resulted in a lot more man hours.

We held different training courses both on the old equipment and a great number to train the men on the new truck. Two men were trained at the factory before they picked up the new truck for delivery.

The new truck purchased has all new hose and all new equipment on it to meet underwriter requirements.

The members spent many hours working on the equipment on a voluntary basis.

We hope we have served the town well, and will strive to improve our services by having more training sessions this coming year, and by accepting more new members into our Department.

We of the Fire Department wish to thank all the people who helped out and made donations at the Oak Point woods fire. The fire was a hard one to control and could have been a bad disaster to the town.

Fire Report for 1978:

Dump - 16 Grass - 8 False Alarms - 2

Flooded Cellars - 9

Total Fires: 75

Total Man Hours: 1,189

Respectfully submitted, Creighton L. Parker Fire Chief

WINTERPORT VOLUNTEER AMBULANCE SERVICE

To the Citizens of Winterport:

We wish to report that in our seventh year of operation we answered some 67 calls and some 137 man hours were donated answering calls.

We have 2 EMT's, 15 licensed Ambulance attendants and 4 drivers. We also have 2 licensed First-Aid Instructors.

If anyone is interested in becoming a licensed Ambulance Attendant and/or joining our service you may contact anyone on the Ambulance Committee listed below.

We would like to bring it to your attention that the service is self-supporting and no tax dollars are raised for its operation. The only way we can continue to be self-supporting is through your purchase of subscriptions and paying such bills as may be rendered for non-subscription services.

A subscription covers only emergency calls. A subscription for a family costs \$5.00 and may be purchased at the Town Office or from Emily Braley, Secretary, Winterport Volunteer Ambulance Service.

We are proud of our Ambulance Service and hope that through support from you, you will show us that you are proud of it too.

RECREATION BOARD REPORT

On behalf of the members of the Recreation Board, it once again gives me great pleasure to present our fifth annual report to the citizens of Winterport.

During the 1978 year, the Recreation Board took a giant step in attempting to organize a complete recreational program for the community. The Board was quite successful in securing federal funds to hire personnel to work at the Community Park, as well as personnel to establish recreational programs for the community.

Work at the park site continues to proceed pretty much on schedule, thanks to the efforts of the men that were employed through CETA funds, as well as through the efforts of citizens — Derek White, Charles Rancourt and Arthur Doyon.

The work completed this past year at the park included the seeding of the lower park area near the courts, installed asphalt walkways to the courts, constructed a storage building, cleared dead trees around the perimeter of the park, built bridges, and worked on the drainage ditch at the lower level. The park workers also erected various signs, along with the building and clearing of more than a mile of hiking trails through the park site. These same trails can be used for cross country skiing during the winter months.

It is hoped the Community Park will eventually become a year round place of activity. During the winter months some residents have found it a nice place to snowmobile, slide and cross country ski.

The major efforts this coming year will be to erect a playground area for young children, a picnic area and to get the playing fields in A-1 condition.

Along the lines of recreational activities and programs, Mrs. Barbara Jason has been hired by the Recreation Board as the town's Recreation Director with federal monies provided by the Comprehensive Educational and Training Act (CETA). This position will terminate in January 1980.

Through the Recreation Director's efforts, many activities and programs were established and well attended during the year. The summer recreation program averaged about sixty children per day.

Recreation Board Report (Cont.):

The Recreation Board, with the help of Mrs. Jason, Recreation Director, hopes they will continue to receive the support of the community in developing programs and facilities for all citizens to enjoy.

As chairman of the Recreation Board, I would like to thank all the members of the Recreation Board and the Board of Selectmen for their continued support in promoting recreation within the community.

Joseph R. Watson Chairman, Recreation Board Linda Bright Robert Higgins Derek White Charles Rancourt

RIVERSIDE RIDERS REPORT

We, the members of the Riverside Riders Snowmobile Club, would like to take this opportunity to thank the town of Winterport for their monetary and moral support for the construction and maintenance of our trails. Also thank you, the land owners who allowed us to build a bridge or cut a trail on their property.

We would like to invite all snowmobilers to join our club, ride our trails and attend our meetings and planned outings.

Again, thank you all very much.

Ida Rancourt Public Relations

WINTERPORT WATER DISTRICT REPORT

Water consumption increased during the past year from an average of 64,800 gallons per day to 68,800 gallons per day. Total water produced in 1978 was 25,057,300 gallons. A major break at the Winterport Docks caused our pumping rate to go up to over 110,000 gallons per day for a time, but despite this high pumping rate and the dry weather our source remained undiminished.

One new service was installed and six service boxes, three services, and one hydrant, were replaced in 1978.

Mrs. Viola Thibodeau was appointed Treasurer to replace Mr. Gary Lowe. Forrest Smith continues to serve as Superintendent.

Regular meetings of the Trustees are held on the third Monday of each month at 7:30 p.m. in the Town Office.

WINTERPORT SEWERAGE DISTRICT REPORT

Progress toward construction of the Winterport Pollution Abatement Facility continues to inch along. The 201 Facilities Plan was finally approved by the Environmental Protection Agency last September. This approval allowed the District to submit an application for Step 2 funds for design of the project and Step 3 funds for construction. Due to inflation and changes in the regulations the estimated cost of the project has increased to \$1,826,000. The District's share of this will be \$245,000.

If approval of our grant application is received this spring from the Environmental Protection Agency award of the construction contract could be made in time to allow work to start in the spring of 1980.

Regular meetings of the Trustees are held on the third Monday of each month at 8:30 p.m. in the Town Office.

ACCOUNTANTS' REPORT

Board of Selectmen Town of Winterport, Maine

We have examined the financial statements of the various funds of the Town of Winterport, Maine for the year ended December 31, 1978, listed in the foregoing Table of Contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and, accordingly, a statement of general fixed assets required by generally accepted accounting principles is not included in the financial report.

In our opinion, the basic financial statements listed in the aforementioned Table of Contents present fairly the financial position of such funds of the Town of Winterport, Maine at December 31, 1978 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The current year's supplementary data, included in Schedules 1-6, have been subjected to the same auditing procedures and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

December 31, 1978

1. Summary of Significant Accounting Policies

The accounting policies of the Town of Winterport, Maine conform to generally accepted governmental accounting policies except for the omission of a general fixed asset fund.

Significant policies follow:

Basis of Accounting

The accounts of the Trust Fund are maintained and reported on the accrual basis. The General Fund is maintained and reported on the modified accrual basis.

Under the modified accrual basis of accounting, revenues are recorded when received in cash except when they are both measurable and available and therefore are resources which may be appropriated. Expenditures, except for interest on general long-term debt which is recorded when it becomes due, are recorded when goods or services are received and actual liabilities are incurred.

Budgetary Accounting

General governmental revenues and expenditures are accounted for in the General Fund and are controlled by a budgetary accounting system in accordance with legal requirements.

Fiduciary Activities

Fiduciary activities of the Town are accounted for in the Trust Funds.

2. Comparative Data

Comparative data for the prior year has been presented in the balance sheet to provide an understanding of changes in the Town's financial position.

ASSES RETOWN MANE

To the Citizens of the Town of Winterport:

It is my duty and pleasure to submit to you the following report for the year ending December 31, 1979.

I am pleased to see that the Town ended the year in good financial shape. With the difficulties of other Maine communities in mind, we must strive to take responsible financial actions in the coming year.

I would like to thank the many people who have made me feel welcome here since my arrival in January. I look forward to meeting more residents in 1980 and hope that our office will be able to serve you sometime soon.

Respectfully submitted, Richard A. Erb Town Manager

WINTERPORT HEALTH COUNCIL REPORT

President Vice President Secretary Treasurer Emily M. Braley

Kathy White

Beatrice L. Raymond

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

We held eight Well-Baby and Immunization Clinics this year. These clinics are entirely free of charge, regardless of income. If you would like more information contact Eleanor Condon.

We also have sickroom equipment available on loan to any Resident of Winterport, all we ask is that these items not be taken out of town and that they be returned when you finish with them, so that someone else may use them. Included in these items are wheelchairs, vaporizers, walkers, commodes, crutches and hospital beds.

This year we added two new walkers and two commodes. These items are kept at the Town Office and may be obtained on weekdays from 9:00 A.M. to 5:00 P.M. and weekends by contacting Emily Braley or any other member of the Health Council. We also have two blood pressure cuffs and two stethoscopes available for people trained in their use.

We would like to extend our many thanks to Dr. Wagner and Patricia Woodbury, R.N., Public Health Nurse for helping us again this year. Also many thanks to the members of the Health Council.

We would also like to thank the United Methodist Church for allowing us to hold our clinics in their vestry.

Respectfully submitted, Emily M. Braley, President Winterport Health Council

REPORT OF THE FIRE DEPARTMENT

To the Citizens of Winterport:

This year of 1979 was a very busy year for the Fire Department. The number of fires increased this year by 14 but the man hours were less.

We held different training courses both on old equipment and on the new truck.

The members spent many hours working on the equipment on a voluntary basis.

At this time, I would like to thank all of the members who worked or contributed material for the old pumper. We feel by doing this work which started last October and was finished this January we have saved the taxpayers about \$8,000.00 and have a very fine fire truck.

We hope we have served the town well and we will strive to improve our services by having more training sessions this coming year. We would also like to accept more new members into the Department.

Fire Report for 1979:

Mutual Aid — 1 Structure — 8 Chimney — 12

Car — 6 Flooded Oil Burners — 1

Total Fires: 89

Total Man Hours: 785

Flooded Cellars - 16

Grass — 16 Dump — 21

Woods – 3 Misc. – 5

Respectfully submitted, Creighton L. Parker Fire Chief

WINTERPORT VOLUNTEER AMBULANCE SERVICE

To the Citizens of Winterport:

We wish to report that in our eighth year of operation we answered some (74) calls and some (160) man hours were donated answering calls.

We have (2) EMT's. (15) licensed ambulance attendants and drivers. We also have (2) licensed First-Aid Instructors and (1) CPR instructor.

If anyone is interested in becoming a licensed ambulance attendant and/or joining our service, you may contact anyone on the Ambulance Committee listed below.

We would like to bring it to your attention that the service is self-supporting and no tax dollars are raised for its operation. The only way we can continue to be self-supporting is through your purchase of subscriptions and paying such bills as may be rendered for non-subscription services.

A subscription covers only Emergency Calls. A subscription costs (\$5.00) and may be purchased at the Town Office or from Emily Braley, Secretary, Winterport Volunteer Ambulance Service or from any member of the Ambulance Service.

We are proud of our Ambulance Service and hope that through your support you will show us that you are proud of it, too.

RECREATION BOARD REPORT

On behalf of the members of the Recreation Board, it gives me pleasure to present the sixth annual report to the citizens of Winterport.

The utilization of the Community Park continues to grow each year. The Thought of having a place for the citizens of the community to gather became a reality with the Fourth of July Celebration at the park site. In attendance during the celebration was well over 1500 people. A good time was had by all. Hopefully, this will become an annual event for the community.

The Board wishes to thank the many people and organizations who lent their support to make the parade and celebration such a success.

The Board also sponsored many other activities and programs during the past year. These were men's basketball, men/women's volleyball, pee wee basketball, arts & crafts programs, roller skating trips, volleyball tournament, Easter egg hunt, and an extensive summer recreation program for the children.

Many of the above programs were possible through the efforts of Mrs. Barbara Jason, Recreation Director. Her untiring efforts to provide activities for citizens of all ages on a "shoe-string" budget was admirable.

Mrs. Jason's position, which was paid with Ceta funds, was terminated at the end of December, as funds for this position ended. We have been fortunate to have had her as our Recreation Director for almost two years at no cost to the town. It is hoped we will be able to continue her programs with the community's support.

The park site through the efforts of Charles Rancourt continued to improve during the past year. The playing fields are still a priority and with the addition of some park equipment it has made it much easier to keep the park site looking good.

Although we have had many successes with our recreation activities and programs, we still cannot control or understand why a small group of young people wish to vandalize the park site.

The tennis courts were vandalized with paint, which has made it necessary for the Board to recommend the courts to be resurfaced.

Report of the Recreation Board (cont.):

It is apparent that all citizens, young and old, must be willing to help "police" the area and report any misuse to the proper authorities.

The Community Park is a very valuable commodity and will continue to play an important part of the community's future, as people remain at home because of the cost of gas, the need for recreation will be even greater, especially during the summer.

As Chairman of the Recreation Board, I would like to thank all the members of the Recreation Board, Board of Selectmen, Board of Directors of MSAD No. 22, and the people for their continued support in promoting recreation within the community.

Arthur Doyon James Nickerson Thomas Skratt Joseph Watson Derek White, Chairman John Economy Charles Rancourt Kathryn Simpson

WINTERPORT PLANNING BOARD REPORT

In the year January 1, 1979 - December 31, 1979, the Planning Board met twenty times. These meetings included Public Hearings regarding sub-divisions. Two sub-divisions were approved by the Board. The Board drew up and approved by-laws for the conduct of business. A plan titled "Winterport Growth Management Plan 1979" was developed and published in October. This plan and a series of studies, including an opinion poll, was made with the staff assistance of the Penobscot Valley Regional Planning Commission. Financial assistance was provided by the provisions of the Coastal Zone Management Act of 1972. The studies include a series of maps of the town containing much valuable information. The reports and maps are on file in the Town Office.

The Board recommended in October by a letter to the Board of Selectmen that they consider the purchase of the Winterport Inn on Main Street as a possible new location for the Town Offices.

The Planning Board meets monthly in the Town Office.

Board of Selectmen Town of Winterport, Maine

We have examined the financial statements of the various funds of the Town of Winterport, Maine for the year ended December 31, 1979, listed in the foregoing Table of Contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and, accordingly, a statement of general fixed assets required by generally accepted accounting principles is not included in the financial report.

In our opinion; the basic financial statements listed in the aforementioned Table of Contents present fairly the financial position of such funds of the Town of Winterport, Maine at December 31, 1979 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1979

1. Summary of Significant Accounting Policies

The accounting policies of the Town of Winterport, Maine conform to generally accepted governmental accounting policies except for the omission of a general fixed asset fund.

Significant policies follow:

Basis of Accounting

The accounts of the Trust Fund are maintained and reported on the accrual basis. The General Fund is maintained and reported on the modified accrual basis.

Under the modified accrual basis of accounting, revenues are recorded when received in cash except when they are both measurable and available and therefore are resources which may be appropriated. Expenditures, except for interest on general long-term debt which is recorded when it becomes due, are recorded when goods or services are received and actual liabilities are incurred.

Budgetary Accounting

General governmental revenues and expenditures are accounted for in the General Fund and are controlled by a budgetary accounting system in accordance with legal requirements.

Fiduciary Activities

Fiduciary activities of the Town are accounted for in the Trust Funds.

2. Comparative Data

Comparative data for the prior year has been presented in the balance sheet to provide an understanding of changes in the Town's financial position.

TOWN OF
WINTERPORT
WINTERPORT, MAINE 04496

SELEC ASSES TOWN MAN TOWN C

To the Citizens of the Town of Winterport:

It is my duty and pleasure to submit to you this report for the year ending December 31, 1980. This has been a progressive year for the Town in many respects. Areas worth noting include the following:

- 1. Vital records of the Town have been microfilmed, with copies stored in a safe deposit box to insure their preservation.
- The tax maps have been updated for the first time since 1975. These are kept in the Town Office and may be used by the public.
- 3. The operation of the dump has been improved to the point that it qualified for the State's Solid Waste subsidy program. Only 20% of the towns in Maine qualified and we were the only one in Waldo County.
- 4. The Town was able to take advantage of high interest investments of idle cash to significantly lower the cost of borrowing money throughout the year.
- 5. Several town streets were paved during the summer and major ditching jobs were completed on out-of-town roads.

The Selectmen and Budget Committee have worked long and hard to arrive at the recommendations you see in the town meeting warrant at the back of this report. These are difficult times for municipalities and I hope you will give the budget strong consideration and exercise your right to vote at Town Meeting.

I would like to conclude by thanking the Office Staff, Selectmen, Committee members, and all others who have been of help to me this year. If there is some service which we can provide to you please do not hesitate to contact this office.

Respectfully submitted,

Richard A. Erb Town Manager

REPORT OF THE TOWN CLERK

To the Citizens of the Town of Winterport:

Vital statistics occurring within and out of town:

Total number of marriages	13
Total number of births	36
Total number of deaths	20
Dog Licenses Issued:	
Male dogs	61
Spayed female dogs	72

Neutered male dogs 13
Female dogs 11
Kennels 4

A REMINDER TO DOG OWNERS:

Due on January 1 are dog licenses for the current year.

All dogs 6 months old and over are taxable.

All neutered male and spayed female dogs require a certificate stating the dog has been made incapable of producing young, in order to pay the \$3.00 fee.

HUNTING & FISHING LICENSES:

There has been an increase of \$.50 for all hunting and fishing licenses and \$.25 for salmon and pheasant stamps. Non-resident licenses may be obtained from the Town Clerk's office.

Respectfully submitted,

Beatrice L. Raymond Town Clerk

WINTERPORT HEALTH COUNCIL REPORT

President Emily Braley
Vice-President Irma Nelson
Secretary Kathy White
Treasurer Beatrice L. Raymond

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

We held eight Well-Baby and Immunization Clinics this year. These clinics are entirely free of charge, regardless of income. If you would like more information contact Eleanor Condon.

We also have sickroom equipment available on loan to any Resident of Winterport, all we ask is that these items not be taken out of town and that they be returned when you finish with them, so that someone else may use them. Included in these items are Wheelchairs, Vaporizers, Walkers, Commodes, Crutches and Hospital beds.

This year we added two new Walk canes and two three-pound weights. These items are kept at the Town Office and may be obtained on weekdays, from 9:00 a.m. to 5:00 p.m. and weekends by contacting Emily Braley or any other member of the Health Council. We also have two blood pressure cuffs and two stethoscopes available for people trained in their use.

We would like to extend our many thanks to Dr. Wagner and Patricia Woodbury, R.N., Public Health Nurse for helping us again this year.

We would also like to thank the United Methodist Church for allowing us to hold our Clinics in their vestry.

Respectfully submitted,

Emily M. Braley, President Winterport Health Council

REPORT OF THE FIRE DEPARTMENT

To the citizens of Winterport:

This year of 1980 was a very busy year again for the Fire Department. The number of fires decreased but were a lot larger, such as the hatchery fire; to which we had three departments besides ours responding to the fire.

The man hours were less this year.

We had different training courses and classes on all of the equipment.

The men spent many hours working on all equipment on a voluntary basis.

This year we have updated our radio equipment with a used base station and used pagers, which we got a very good buy on. The firemen, ambulance service, and the town made it possible to get these sets and each paid a part of the total.

We hope we have served the town well and we will strive to improve our services by having more training sessions this coming year.

Fire Report for 1980:

Dump - 9

Structure - 14

Total Fires: 65

Chimney – 18

Flooded Oil Burners — 1

Total Man Hours: 736

Flooded Cellars – 8

Grass — 6

Vehicle – 2

WINTERPORT VOLUNTEER AMBULANCE SERVICE

To the Citizens of Winterport:

We wish to report that in our ninth year of operation we answered some 85 calls and some 180 man-hours were donated answering calls.

We have five EMTs and 16 licensed ambulance attendants and drivers. We also have two licensed First-Aid Instructors and one CPR Instructor.

If anyone is interested in becoming a licensed ambulance attendant and/or a driver or joining our service, you may contact anyone on the Ambulance Committee listed below.

We would like to bring it to your attention that the service is self-supporting and no tax dollars are raised for its operation. The only way we can continue to be self-supporting is through your purchase of subscriptions and paying such bills as may be rendered for non-subscription services.

A subscription covers only Emergency Calls. A subscription costs ten dollars (\$10) and may be purchased from Emily Braley, Secretary, Winterport Volunteer Ambulance Service or from the Town Office or from any member of the Ambulance Service.

We are proud of our Ambulance Service and hope that through your support you will show us that you are proud of it, too.

REPORT OF THE RECREATION BOARD

To: The Citizens of Winterport

On behalf of the members of the recreation board it gives me great pleasure to present our seventh annual report.

1980 was a year which saw continued improvement and increased use of our community park. We were able to complete a children's playground area adjacent to the tennis courts thanks to a gift of equipment from the Winterport Evening Extension.

The tennis courts have proved very popular and because of this high use and some unfortunate vandalism it was necessary to resurface and re-line the courts. The work was completed in the fall and the courts will be ready for your enjoyment this summer.

The summer maintenance at the park was performed by student workers, hired through the C.E.T.A. program, under the supervision of the board. The new tractor certainly proved its worth, and saved the town considerable mowing fees. The grass areas of the park are filling in, though some seeding and grooming remain to be completed during the summer of 1981. Work on improving the quality of the playing surface of the infield at the ball field continued throughout the summer. Charles Rancourt played a major role in repairing the infield playing surface and the board wishes to express its thanks to him for his efforts.

Two new drain tiles have been installed in the ball fields at the park. These drains have greatly helped in alleviating the water problems we have experienced in the past.

During 1980 the recreation board sponsored the following programs for the community's enjoyment: basketball for pee wees, high schoolers, and adults; adult volleyball and a volleyball tourney; floor hockey; slimnastics; and a concert featuring the University of Maine 20th Century Ensemble. A new program generating a great deal of interest was the summer softball program. Last summer nearly 100 people in six teams competed in the league. The program ran for 13 weeks with games being played three and four nights a week. League play concluded with a week of tournament action.

The summer youth program had to be cancelled as our recreation director's position was eliminated because of a funding cutback at C.E.T.A. It is the recreation board's hope to hire a summer recreation director in 1981 with funds from the town so that we

can continue with our sponsorship of a comprehensive youth program this summer.

The Fourth of July activities seem to get bigger and better each year. This growth is only possible because of the efforts of many dedicated citizens. Committees are now being formed and plans are being made for this year's festivities. If you should have any recommendations or desire to serve on this committee please contact a board member.

The board meets Thursday evening at 8:00 at the Leroy H. Smith School. These are public meetings and we welcome your attendance and suggestions.

Respectfully submitted,

John Economy Chairman

RIVERSIDE RIDERS SNOWMOBILE CLUB

We, the Riverside Riders Snowmobile Club would like to take this opportunity to extend our thanks to the Town and its people for their support in our local snowmobile club. A bridge that was in the building stages has been postponed due to the lack of donated men and machinery. However, plans to complete the bridge for next year are in the making. We invite all snowmobile enthusiasts and cross country skiers to join our club. Anyone wishing to join the snowmobile club, please feel free to visit our Club meetings any first or third Wednesday of each month. Our meetings start at 8:00 p.m. each evening.

Sincerely,

Ida Rancourt Public Relations Winterport Riverside Riders Snowmobile Club

REPORT OF THE WINTERPORT WATER DISTRICT

The Winterport Water District supplied the town with 27,229,900 gallons of water in 1980, the quality of which exceeded all State and Federal standards for purity and healthfulness.

No breaks in water mains or other major maintenance problems were experienced during the year. The standpipe on Lebanon Hill, erected in 1896, is in poor condition and we expect will soon require replacement. However, the charter of the Winterport Water District limits borrowing of funds to \$250,000 of which over \$190,000 has been used for purchase of facilities of the Winterport Water Company and extensions of the distribution system on Oak and Marine Streets. The Trustees have asked the legislature to increase our borrowing capacity to \$400,000 to allow us to erect a new standpipe if necessary and make further main extensions.

At a meeting of water utility operators last fall in Bangor the question was raised as to how many water districts were operating in the black. Winterport was one of a very few that were able to answer in the affirmative.

REPORT OF THE WINTERPORT SEWERAGE DISTRICT

Progress toward construction of a pollution abatement facility for the town continues at a steady but bureaucratic pace. The District has received approval for the Federal and State shares of funding for the project and has received a grant of \$38,000 for engineering services. Changes in Federal and State regulations have required a complete redesign of the facility. If no further changes are required, the Trustees are expecting to award construction contracts in 1981.

A recent regulation imposed by the Environmental Protection Agency requires that the District have the necessary real estate required for the project before construction can commence. Therefore the Trustees are requesting the Town to authorize the Selectmen to convey to the District the land required for the treatment facility. The District is responsible for all land acquisition costs since these costs are not shared by the State or Federal government.

Selectmen Town of Winterport, Maine

We have examined the financial statements of the various funds of the Town of Winterport, Maine for the year ended December 31, 1980 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds of the Town of Winterport, Maine at December 31, 1980, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules presented on Schedules 1, 2 and 3 are not necessary for a fair presentation of the financial statements, but are presented as additional supplementary data. This information has been subjected to the test and other auditing procedures applied in the examination of the financial statements mentioned above and in our opinion is fairly stated in all material respects in relation to the financial statements taken as a whole.

In connection with our examination, we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required by Sections II.C.3 and III.C.3 of the Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data on Bureau of Census Form RS-9 to records of the Town of Winterport, Maine as required by Sections II.C.4. of the "Guide."

Based on these procedures, we noted no instance of noncompliance with the regulations and no material differences between Census data on Form RS-9 and the records of the Town of Winterport, Maine for the year ended December 31, 1980.

NOTES TO FINANCIAL STATEMENTS December 31, 1980

1. Summary of Significant Accounting Policies

The accounting policies of the Town of Winterport, Maine conform to generally accepted governmental accounting policies except for the omission of a general fixed asset fund.

Significant policies follow:

Basis of Accounting

The accounts of the Trust Fund are maintained and reported on the accrual basis. The General Fund is maintained and reported on the modified accrual basis.

Under the modified accrual basis of accounting, revenues are recorded when received in cash except when they are both measurable and available and therefore are resources which may be appropriated. Expenditures, except for interest on general long-term debt which is recorded when it becomes due, are recorded when goods or services are received and actual liabilities are incurred.

Budgetary Accounting

General governmental revenues and expenditures are accounted for in the General Fund and are controlled by a budgetary accounting system in accordance with legal requirements.

Fiduciary Activities

Fiduciary activities of the Town are accounted for in the Trust Funds.

WINTERPORT, MAINE

TOGETHER WITH WARRANT FOR TOWN MEETING

MARCH 19, 1982

INCORPORATED MARCH 12, 1860

Printed By J. A. Black Co. Belfast, Maine

WINTERPORT WINTERPORT, MAINE 04496

To the Citizens of the Town of Winterport:

It is my duty and pleasure to submit to you this report for the year ending December 31, 1981. It has been a busy year for the Town and a positive one in many ways.

Improvements continued at the Town Landfill. Most noticeable was the extensive landscaping work done on the old section which was previously an open dump. This project shows how the entire site will appear should we close the facility, either by choice or lack of space in the years to come.

The seemingly never ending job of removing diseased elm trees continued in 1981. Many have been replaced however, by shade trees planted with the help of State funds. Over fifty were set out in the past year and the Selectmen hope to continue the program in 1982.

We were disappointed to hear that the Federal Government had cut funds available for improvements at the Town Office. We did however, apply for and receive over \$1,500 from the State which was used to improve the energy efficiency of the building. Since no Town money was involved, any savings in heating costs are an immediate help to our budget.

Finally, as you look over this year's audit report you will see that the Town continues to grow stronger financially. Our tax collection rate is increasing as is our fund balance. These are indicators of a healthy financial status and will help us to deal effectively with banks when it comes time to borrow tax anticipation funds. In 1981 interest earned throughout the year on short term investments increased dramatically and more than offset the cost of borrowing necessary funds in anticipation of tax revenue. Several savings accounts and trust funds have been reinvested and are now generating much greater interest as the auditor's report shows.

This year's Town Meeting will present many choices to the voters. As you look through the warrant at the back of this report you will see that the Selectmen and the Budget Committee have arrived at different recommendations in some cases. Since the

final decision can only be made by the people at Town Meeting, I hope that we will see a large turnout on March 16.

I would like to conclude once again by thanking the Selectmen, members of the Town's committees, the office staff, and all others who have given me their support and assistance. It is a pleasure to work with all of them.

Respectfully submitted, Richard A. Erb Town Manager

WINTERPORT HEALTH COUNCIL REPORT

President Kathy White
Vice President Jackie Watson
Secretary Maria Smith
Treasurer Marilyn Doe

The Winterport Health Council is a group of women who volunteer their time in helping the town support a Public Health Program.

We held eight Well-Baby and Immunization Clinics this year. If you would like more information contact Eleanor Condon.

We also have sickroom equipment available on loan to any Resident of Winterport, all we ask is that these items not be taken out of town and that they be returned when you finish with them, so that someone else may use them. Included in these items are Wheelchairs, Walkers, Vaporizers, Commodes, Crutches and Hospital Beds.

This year we purchased new Baby Scales to be used at the Clinics. The sickroom equipment is kept at the Town Office and may be obtained on weekdays, from 9:00 a.m. to 5:00 p.m. and weekends by contacting Kathy White or any other member of the Health Council. We also have two Blood Pressure Cuffs and Stethoscopes available for people trained in their use.

We would like to extend our thanks to Dr. Wagner and Janice Curtis, R.N., Public Health Nurse for helping us again this year.

We would also like to thank the United Methodist Church for allowing us to hold our Clinics in their Vestry.

Respectfully submitted, Kathy White, President Winterport Health Council

REPORT OF THE FIRE DEPARTMENT

To the Citizens of Winterport:

This year of 1981 was a very busy year for the Fire Department. The number of fires this year was 74 — an increase over last year's 65. There were more chimney fires reported than in the past. In order to reduce the number of chimney fires, people will have to clean and repair their chimneys more often.

As in the past, we held training classes on all of the equipment. The men volunteered many hours working on the equipment and attending the training classes.

This year we improved our communication system by putting in a paging system with a more powerful base station. The cost of this system was shared equally by the Winterport Ambulance Service, Town of Winterport, and the Winterport Fire Department. The Fire Department's share came from the money raised from their annual supper held each year in March.

As in the past, we hope we have served the town well and we will strive to improve our services this year.

Fire Report for 1981:

WINTERPORT VOLUNTEER AMBULANCE SERVICE

To the Citizens of Winterport:

We wish to report in our tenth year of operation we answered some 105 calls and some 225 man hours were donated answering calls.

We have seven EMTs and 10 licensed ambulance attendants and nine drivers. We also have two R.N.s, two licensed First-Aid instructors and one CPR Instructor.

If anyone is interested in becoming a licensed ambulance attendant and/or a driver; or joining our service, you may contact anyone on the Ambulance Committee listed below.

We would like to bring to your attention that the service is self supporting and no tax dollars are raised for its operation. The only way we can continue is through your purchase of subscriptions and paying such bills as may be rendered for non-subscription services.

A subscription covers only Emergency Calls. A subscription costs ten dollars (\$10.00) and may be purchased from Emily Braley, Secretary, Winterport Volunteer Ambulance Service or from the Town Office or from any member of the Ambulance Service.

We are proud of our Ambulance Service and hope that through your support you will show us that you are proud of it, too.

REPORT OF THE RECREATION BOARD

To the Citizens of Winterport:

On behalf of the members of the recreation board it gives me great pleasure to present our eighth annual report.

This past year a growing number of our citizens enjoyed the beauty and varied recreation opportunities offered at our community park. A number of park improvement projects were completed during 1981. The safety fence around the basketball court has been erected, thanks to the efforts of Bernard Simpson Jr., and several volunteers. The basketball court was resurfaced and relined in the fall. Two new basketball hoops were purchased and will be ready for your enjoyment in the spring.

The summer maintenance at the Community Park, Abbott Park, and the frog pond was performed by student workers, hired through the S.Y.E.P., under the supervision of the recreation board. Special projects completed by our summer workers were: the painting and extension of the fence around the parking lot, the painting of the shelter at the frog pond, the painting of the bleachers and maintenance of the hiking trails in the park, which during the winter can be used for cross country skiing and snow-shoeing.

During 1981, the recreation board sponsored the following programs for the community's enjoyment: basketball for pee wees, high schoolers, and adults; adult volleyball and a volleyball tourney; floor hockey; slimnastics; summer softball; farm league baseball; children's Easter program; children's dance lessons; a roller skating trip; a trip to see the Maine Lumberjacks play; and a concert featuring the University of Maine 20th Century Music Ensemble.

The summer youth program, under the direction of Miss Rhonda Bishop, was a huge success. Children in the community from pre-school through high school were involved. Some of the events offered included: story telling; swimming at the University of Maine pool and at Walker's Beach; field trips; horseback riding; gymnastics; arts and crafts; and many other exciting programs. This program could not have been the success that it was without the help of our dedicated volunteers. The board wishes to express its thanks to those citizens.

Our year concluded with the town's annual gala Fourth of July celebration. Many exciting events were held over the weekend

including a dance, an auction, an outstanding parade chaired by Joseph Watson, concerts in the park, games for children, exhibits and booths, a chicken barbecue, and softball games. The weekend concluded with a community hymn sing at the Winterport Union Meeting House.

The board holds public meetings on the 1st and 3rd Tuesdays of each month at the Town Office. We welcome your suggestions and attendance.

Respectfully submitted, John Economy, Chairman

RIVERSIDE RIDERS SNOWMOBILE CLUB

To the Town of Winterport:

We, the members of the Winterport Riverside Riders Snowmobile Club, would like to thank the town of Winterport for their monetary and moral support for construction and maintenance of our trails.

Also we would like to thank the land owners who allowed us to build bridges or cut trails on their property.

We would like to invite all snowmobilers to join our club, ride our trails and attend our meetings and outings.

Thank you all very much.

Sincerely,
Colleen Dalton
Recording Secretary

REPORT OF THE WINTERPORT WATER DISTRICT

The Winterport Water District experienced no major maintenance problems or line breaks in 1981. Water usage by the Town increased slightly over that used in 1980. At present the District serves 248 users, of which 231 are residential, 11 are commercial, 1 is industrial, and 5 are governmental (school, town office, etc.).

The Trustees have been studying the standpipe replacement or repair problem, trying to come up with the best and most economical solution. The last legislature increased the borrowing capacity of the District from \$250,000 to \$400,000 which will allow us to borrow the necessary funds for repair or replacement. We hope to do this work this coming summer.

Lately there has been much publicity given to the health hazards associated with organic compounds in drinking water related to possible causes of cancer. The State tested the town water in January and found that it contains less than one percent of the maximum allowable amount. For instance the maximum allowable amount of total trihalomethans (TTHM) is 100 parts per billion. The test of our water showed 0.83 ppm. The State considers this amount insignificant.

Donald W. Weston Chairman

REPORT OF THE WINTERPORT SEWERAGE DISTRICT

After many years construction was finally started on a sewage disposal system for Winterport. A contract was awarded in December to Maine Rental and Supply Corp. of Hampden for construction of the interceptor sewer which will eventually connect all the existing sewers running into the river to the treatment plant, and the outfall line which will carry the treated sewage to the river. The contractor's work schedule calls for completion of his contract in July 1982.

The basic design of the treatment plant has been approved by the State and final plans are expected to be completed by spring or early summer with contract award before winter. Projected plant completion and operation is the fall of 1983 or early 1984.

The estimated total project cost is \$1,790,065 or roughly 1.8 million. Of this the Federal Government through EPA will provide \$1,295,425, and the State through DEP will provide \$261,240. The Trustees have been working with Farmers Home Administration for a grant of \$186,000 and a loan of \$46,400. This would result in the District's share of the 1.8 million cost to be less than three percent. Debt retirement over 40 years would be about \$14.45 per family per year.

Donald W. Weston Chairman

Selectmen Town of Winterport, Maine

We have examined the financial statements of the various funds of the Town of Winterport, Maine for the year ended December 31, 1981 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of general fixed assets and, accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, with the exception of the omission of a statement of general fixed assets, the aforementioned financial statements present fairly the financial position of the various funds of the Town of Winterport, Maine at December 31, 1981, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules presented on Schedule 1, 2 and 3 are not necessary for a fair presentation of the financial statements, but are presented as additional supplementary data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and in our opinion is fairly stated in all material respects in relation to the financial statements taken as a whole.

In connection with our examination, we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required

by Sections II.C.3. and III.C.3. of the Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients issued by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data on Bureau of Census Form RS-9 to the records of the Town of Winterport, Maine as required by Section II.C.4. of the "Guide."

Based on these procedures, we noted no instance of noncompliance with the regulations and no material differences between Census data on Form RS-9 and the records of the Town of Winterport, Maine for the year ended December 31, 1981.

NOTES TO FINANCIAL STATEMENTS December 31, 1981

Note 1 — Summary of Significant Accounting Policies

The Town operates under a Selectman-Manager form of government and provides the following services: public safety (police and fire), highways and streets, sanitation, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

The accounting policies of the Town of Winterport conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies:

A. Fund Accounting

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report, into eight generic fund types and three broad fund categories as follows:

Governmental Funds

General Fund — The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds — Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes.

Fiduciary Funds

Trust Funds — Trust Funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds. These include Expendable Trust and Non-

expendable Trust Funds. Non-expendable Trust Funds are accounted for in essentially the same manner as proprietary funds since capital maintenance is critical. Expendable Trust funds are accounted for in essentially the same manner as governmental funds.

B. Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds and Expendable Trust Funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Taxpayer-assessed income, gross receipts, and sales taxes are considered "measurable" when in the hands of intermediary collecting governments and are recognized as revenue at that time. Anticipated refunds of such taxes are recorded as liabilities and reductions of revenue when they are measurable and their validity seems certain.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include: (1) accumulated unpaid vacation, sick pay, and other employee amounts which are not accrued; and (2) principal and interest on general long-term debt which is recognized when due.

All proprietary funds and Nonexpendable Trust Funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when they are incurred.

C. Budgets and Budgetary Accounting

The Town follows these procedures in establishing the budgetary data reflected in the financial statements:

- During the month of March, the townspeople approve the budget at a town meeting.
- Budgets for the General, Special Revenue, and Capital Projects Funds are adopted on a basis consistent with generally accepted accounting principles (GAAP).

D. Investments

Investments are stated at cost or amortized cost, which approximates market.

E. Accumulated Unpaid Vacation, Sick Pay, and Other Employee Benefit Amounts

Accumulated unpaid vacation, sick pay, and other employee benefit amounts are not accrued in governmental funds (using the modified accrual basis of accounting).

F. Comparative Data

Comparative data have not been presented in the statements because of a change in format presentation.

G. Total Columns on Combined Statements — Overview

Total columns on the Combined Statements — Overview are captioned Memorandum Only to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Note 2 - Inter Fund Payables

At December 31, 1981 the General Fund recognized obligations to the Trust Fund for \$18,302.03 due to the Airport-Drags Account and \$600.00 due to the Reserve for Government Land.

Note 3 — General Fund Balances Carried

The following funds were unexpended as of December 31, 1981 and were carried forward into the operations of 1982:

Account Name	Amount
Dutch Elm Disease and Shade Tree Program	\$ 280.78
Civil Emergency Preparedness	250.00
State Aid Road Construction	7,686.00
Parks and Recreation	1,936.68
Coastal Zone Management	197.40
Town Cemeteries	300.00
Total	\$10,650.86

Note 4 - Retirement Plan

The employees of the Town of Winterport are covered by Maine State Retirement and/or Social Security, but no other retirement plan exists.
